REVENUE DEPARTMENT.

Circular No. 13862-69, *dated* 6—18*th June* 1908.

The attention of Deputy Commissioners of Districts is invited to the Revenue Administration Report of the State for the year 1906-07 and the Order of Government thereon No. R 6799-809—L. R. 225-07-5, dated 23rd April 1908.

2. The District Reports should be submitted in a complete form with all the necessary enclosures so as to reach this office on or before 1st September 1908. As failure to comply with this requisition leads to delay for which Government holds this office responsible, it might become necessary to issue urgent telegrams to such Deputy Commissioners as fail to submit their reports in time at the cost of their office contingency.

3. Too much stress cannot be laid on the importance of the compilation of figures embodied in the report after careful scrutiny and verification. Firstly, the figures in the current year's report given for the previous year should be compared with those given in the previous year's report; secondly, the figures given under the same column at different times for the Administration Report of the State compiled and published by Government, for the Revenue Administration Report of the State and for the Statistical Report should be tallied; in cases of divergence, a short note explaining the cause of divergence should be appended.

4. The instructions issued in this office Circulars (1) No. 4408-15, dated 29th October 1906 (2) No. 11127-34, dated 1st April 1907 and (3) No. 3543-50, dated 15—17th September 1907, should be carefully attended to.

5. In paras 1, 5, 6, 10 and 14 of their Order No. 6799-809, dated 23rd April 1908, the Government have pointed out certain defects in the District Reports and issued instructions thereon. The Revenue Commissioner trusts that they will receive due attention.

6. In the month of September, work in this office will be very heavy especially as the Dasara Exhibition comes off about the end of the month. The Deputy Commissioners are specially requested not to delay the Revenue Administration Report or send it in an incomplete form, as the work will thereby be made heavier and delay ensues in the submission of the report to Government. The subordinate officers who have to furnish information should be urged to submit the same in time and warned that their names would be reported to Government for unreasonable delay.

A. RANGASWAMI IYENGAR,
Revenue Commissioner.

KOLAR DISTRICT.

The sale will commence at 11 A.M., on the dates specified, and the village will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.
